New Website Brings Enhanced Features & Functions

Today, the State Ethics Commission's Information Technology department revealed a new and improved website. Not only does it have a fresh new look, but the website includes new functions to ease navigation and facilitate searches.

New features include:

- Commission meetings in real time and archives of past meetings.
- Online training workshops with step-by-step instructions for campaign finance reporting, personal finance disclosure statements and lobbyist registration.
- User-friendly features to sort Commission Orders by case name, number or status.
- Video definitions simplify Commission terminology.

Check out these brand new features and more!
